Licensee agrees and acknowledges that G2-IS retains any and all Proprietary Rights in concepts, ideas and inventions that may arise during the preparation or provision of any Report (including any deliverables provided by G2-IS to Licensee) and the provision of services to Licensee. Licensee acknowledges that G2-IS may retain all materials necessary to document the services in its archives for evidentiary purposes.

18. MISCELLANEOUS. Unless otherwise expressly stated in these terms and conditions, the failure of either Party to enforce at any time any term or condition herein will not be a waiver of the provision, or any other provision, or of the right of the Party to enforce any provision in these terms and conditions. All remedies available to G2-IS for breach of these terms and conditions are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy will not be deemed an election of that remedy to the exclusion of any other remedies.
